

CAPSPECIALTY **INSURANCE** **COMPANY** LIABILITY

CapSpecialty's Insurance Company Professional Liability product is designed for insurance companies and other risk transfer vehicles with up to \$500 million in GWP. We can consider larger insureds on an excess basis. We will consider unrated carriers, captives, risk retention groups, self-insured groups and public entity pools. Coverage is offered on a surplus lines basis in all states with the exception of Wisconsin, where we are admitted.
