

CAPSPECIALTY HOSPITAL PROFESSIONAL LIABILITY **TEAM**

UNDERWRITING

CHRISTINA LANGENSTRASS

**Director of Hospital Professional Liability Underwriting
Illinois**

Christina Langenstrass joined CapSpecialty in 2020 with over 15 years of experience in Medical Professional Liability. Prior to joining the company, Christina led Zurich's healthcare underwriting for the Midwest and West. She initially began her insurance career in 2006 at Zurich as a healthcare underwriter. Christina then went to Marsh as an Assistant Vice President, responsible for brokering solutions and producing enhanced terms and financial savings for health system, long term care and medical facility clients. In 2014, Christina rejoined Zurich Healthcare as the Regional Vice President for the Midwest and West.

Christina earned a Bachelor of Arts in Biological Sciences at George Washington University. She is originally from New Jersey and currently resides in the Chicago area.

GREG STRUHAR

**Senior Underwriter
Illinois**

Greg Struhar joined CapSpecialty in 2021 with over 13 years of underwriting experience. Prior to joining the company, Greg spent 9 years with Sapphire Blue, part of Ryan Specialty Group. As a senior underwriter, he specialized in Medical Professional Liability with a focus on the senior living industry. He also worked on The Connector, RSG's digital marketplace. Greg began his career in 2008 as an underwriter with Markel specializing in non-admitted insurance, including various classes of Professional Liability and Commercial Property.

Greg earned a Bachelor of Science in Business Administration from Marquette University and a Master of Science in Integrated Marketing Communications from Loyola University Chicago. He holds the Chartered Property Casualty Underwriter (CPCU) and Registered Professional Liability Underwriter (RPLU) designations. Greg is based in CapSpecialty's Chicago office.

SARHANA LIVINGSTON, JD

**Head of Healthcare Claims
Virginia**

Sarhana Livingston joined CapSpecialty in June 2017 as an experienced attorney specializing in Professional Liability. Prior to joining CapSpecialty, Sarhana was in private practice for 13 years, including six years at a national coverage firm. Prior to law school, she was a personal lines underwriter and manager.

Sarhana received her undergraduate degree in Economics from the University of California, Santa Barbara and her law degree from Yale Law School. She is a member of the Virginia and District of Columbia Bar Associations.

CHAD MELCHI, JD

**Litigation Specialist
Indiana**

Chad Melchi joined CapSpecialty in October 2020 with significant experience in medical malpractice claims and eight years as a practicing attorney in Indiana and Illinois. Before joining CapSpecialty, Chad managed a broad range of medical and dental claims for a large medical malpractice insurer. Prior to managing claims, he practiced law defending medical malpractice actions as well as other areas of complex litigation.

Chad obtained his Bachelor of Science in Business from Indiana University Kelley School of Business. He later obtained his Juris Doctorate from Indiana University McKinney School of Law. He is admitted to practice law in the state of Indiana.

MICHELLE NICHOLSON, JD

**Senior Litigation Specialist
Indiana**

Michelle Nicholson joined CapSpecialty in 2019, bringing more than 12 years of experience in medical malpractice claims after leaving private practice. She has resolved claims across the healthcare spectrum, including matters involving individual physicians, nurses and allied healthcare practitioners, along with those from hospital networks, laboratories, ambulatory surgery centers, dialysis clinics and other facilities. Prior to law school, she briefly worked as a newspaper medical reporter.

Ms. Nicholson received her undergraduate degree in Biology from Queen's University in Canada, and her law degree from Case Western Reserve University. She is admitted to practice in Washington State and Massachusetts.

OMNISURE RISK MANAGEMENT

MICHELLE FOSTER EARLE, ARM

**President, CEO – OmniSure
Texas**

Michelle Foster Earle is a healthcare executive by background, who initially operated healthcare organizations focused on rehabilitation, subacute care, skilled nursing, assisted living, home health, and hospice. She founded OmniSure in 2000. Her company provides clinical risk services to policyholders, making it an extremely successful and long-lasting professional and general liability program that provides clinical risk support to more than 250,000 policyholders. She and her consultants are frequent speakers at the Professional Liability Underwriters Society (PLUS), Crittenden Medical, American Nurses Association (ANA), American Society for Health Care Risk Management (ASHRM), LeadingAge, and many other conferences addressing topics such as the opioid epidemic, sexual abuse, enterprise risk management, regulatory compliance, medical marijuana, telehealth, and other emerging trends and risks that impact business insurance.

She holds a Bachelor of Arts in Psychology from the University of Houston, where she graduated Magna Cum Laude. She studied Long Term Care Administration at the University of North Carolina, Chapel Hill, is a former Licensed Nursing Facility Administrator, and a Certified Assisted Living Manager. She is also a licensed property casualty agent and risk manager in Texas, holds various other designations and certifications in specific states, and is recognized as an Associate in Risk Management by the Insurance Institute of America.

LAURA LUCK MARTINEZ, BSN, RN, MS, CPHRM, FASHRM

**Executive Vice President – OmniSure
Texas**

Laura Luck Martinez has worked in healthcare risk management since 1995, starting at the Chubb Group of Insurance Companies and holding progressive risk management and patient safety positions with Chubb, Darwin, Allied World, and Mag Mutual, where she led the development and implementation of patient safety, quality and risk mitigation programs and resources for hospitals, healthcare facilities, senior care organizations and physician practices.

A registered nurse, Laura's clinical practice included physical medicine and rehabilitation, hospice, substance use disorders and general inpatient acute care.

She has co-authored and served as editor of numerous articles and publications. She has been a speaker at The American Society for Health Care Risk Management (ASHRM) annual conferences and numerous ASHRM State Chapters. She has been an active volunteer at both the state and national levels for ASHRM.

She has earned her CPHRM (Certified Professional in Health Care Risk Management), and has been recognized with the designation of FASHRM (Fellow of the American Society for Health Care Risk Management).
